

GYNAECOLOGICAL CANCER AWARENESS MONTH

September 2020

Upcoming Events

**WREATH MAKING
WORKSHOP**
Monday 30th November

**PRIVATE CLASSIC
CAR COLLECTION**
Sunday 16th May

We are delighted to be holding our fourth consecutive Wreath Making Workshop at the stunning Gate Street Barn! Join us on Monday 30th November at Gate Street Barn, Bramley.

In May 2021, we will be inviting you to an exclusive opportunity to view one of the country's finest private car collection, a collection of over 70 rare classic, sports and supercars, plus memorabilia.

From The Researchers Desk

GRACE would like to introduce you to Christina Uwins, a Senior Clinical Research Fellow in Robotic Gynaecological Oncology at Royal Surrey NHS Foundation Trust. Christina is being funded by GRACE to carry out research into robotic surgery for patients with Ovarian Cancer. This is called the MIRRORS Study.

MIRRORS “Minimally Invasive Robotic Surgery, Role in Optimal Debulking Ovarian Cancer, Recovery & Survival” is a new United Kingdom-based feasibility study. Its purpose is to establish the feasibility of launching a British multicentre randomised control trial of Robotic interval debulking surgery for ovarian cancer (including cancer of the fallopian tube and peritoneum) in the future.

Thank You!

The Pringle Family: We would like to say a huge thank you to the Pringle Family for raising over £10,000 this Summer for GRACE! The 'Pringle Girls' raised money by cutting their hair to create wigs for cancer patients and were supported by over 200 donors. We really appreciate your effort and wish you the very best!

Hellen Revenko, Kat Mack and Kobe: We would like to express our thanks to Kat Mack and Kobe for cycling 26.2 k and to Hellen Revenko who walked 26k over a couple of days. Together, Kat, Kobe and Hellen raised almost £1,800!

Betsy Ashbourne: We would like to say a huge thank you to Betsy Ashbourne for all of her work growing and championing GRACE! We're wishing her the very best as she begins her new adventure!
