Legacy Pledge Form

Giving a Legacy to GRACE is an enduring gift that provides a vital source of income for us to continue our work, enabling more women to survive the gynaecological cancers. GRACE recognises that your bequest intentions are a personal matter which you may wish to keep confidential. However, if you are willing to complete this Pledge Form, GRACE would be very grateful. The pledge is not binding and is simply a statement of your present intentions which will assist GRACE in long term planning and enable your generosity to be recognised.
